

10<sup>th</sup> International CONGRESS  
of **Food Technologists,**  
**Biotechnologists**  
and **Nutritionists**

**Dear participants in the congress,**

Since our time in Zagreb is approaching, with great pleasure we would like to inform you that our congress programme is ready, and so are the instructions for poster and oral presentations.

**Oral presentations instructions**

Oral presentations are foreseen to last 10 + 5 minutes, meaning that it is predicted that the oral presentation takes 10 minutes, and five additional minutes are envisioned for questions and answers. We urge you to abide to the recommended time for oral presentations, since the program (attached to this e-mail) is fully packed. Oral presentations must be held in English language.

**Registration**

Upon registration on site (at hotel Academia), you will receive a printed version of the program and Abstract book in electronic version (USB), while the Proceedings book will be published additionally, in January 2023.

Registration will be possible before the start of the Congress on line, and detailed instructions on this process will be published in November.

**Proceedings**

**Papers for the Proceedings book should be sent before 8<sup>th</sup> of November, 1PM (CET) to [dkomes@pbf.hr](mailto:dkomes@pbf.hr). Papers received after this date will not be published.**

**Poster instructions**

Posters will be organized into conference sections (according to topics) and displayed electronically both on spot (on screens and a touch screen), and on the conference web page. Poster presentations will be accessible on line (on the congress web page) at any time and displayed throughout the whole conference. On the screens at hotel Academia, posters will be rotated according to the scheduled programme. **Posters should be submitted by 14<sup>th</sup> of November in order to create full poster sessions. Poster should be submitted to Tibor Janči at mail address [tjanci@pbf.hr](mailto:tjanci@pbf.hr).**

Since the poster presentations will be in digital form, they should be submitted in **PDF**. Also it is very important to follow the instructions of the size of the poster. It should be **16:9 in landscape** format. Poster presentations must be written in English language.

We recommend that you prepare the poster presentations in power point since this size and landscape format is applicable to it. All files will be transformed to PDF and therefore you should not use any animations or links on the posters.

Once again, we urge you to check that you have **filled out the registration form as well as paid for the registration**. If not, please do so as soon as possible. If you need an invoice, please send us an inquiry at official congress mail address [pbn2022congress@pbf.hr](mailto:pbn2022congress@pbf.hr).
